

wästberg / w 154 pal

Product Information

w 154 pal is the essence of modern task lighting: an engineered, but graceful construction focused on bringing high quality LED light into the working environment, while keeping a certain formal purity.

The all-metal structure with its slim profiles and integrated mechanics allows for a smooth and easy movement, while the shade incorporates an 8W high-end warm LED with intelligent heat dissipation and light diffusion.

Aesthetically, the design is reduced to a strictly geometrical language, all the way into the finest details of the cast and extruded aluminium elements, complementing the sustainable longevity of the light source.

Design: Dirk Winkel

Material	The w 154 pal is made of aluminium.
Integrated LED	The light technology is based on a highly energy-efficient, high quality LED solution, which gives a warm white light.
Light distribution	w 154 pal gives a large amount of light, evenly distributed over a large surface.
Joint construction	w 154 pal is equipped with a clever joint construction, built around a wheel-construction that is incorporated into one of the arms, which enables smooth movement.
Multiple mounting options	The w 154 pal is available with a clamp, a base or a pin.

Product name	w154 pal b	w154 pal c	w154 pal p																											
Dimensions (mm)																														
Model	Table lamp	Table lamp	Table lamp																											
Mounting	Base	Clamp	Pin – integrated (cut-out Ø 8 mm)																											
Material	Aluminium	Aluminium	Aluminium																											
Cord length	215 cm	215 cm	215 cm																											
Light source	Integrated LED – included	Integrated LED – included	Integrated LED – included																											
Watt	8 W	8 W	8 W																											
Lumen/W	112	112	112																											
Lumen	900	900	900																											
Color temperature	3000 K	3000 K	3000 K																											
CRI	> 90	> 90	> 90																											
Light source life expectancy	50.000 h	50.000 h	50.000 h																											
Light control	2-step switch	2-step switch	2-step switch																											
Energy class	A+	A+	A+																											
IP-classification	20	20	20																											
Packaging dimensions	L79.5 x W34 x H6.5 cm (0.02 m³)	L79.5 x W34 x H6.5 cm (0.02 m³)	L79.5 x W34 x H6.5 cm (0.02 m³)

Wästberg is a Swedish lighting company aimed at bringing back light to human proximity, by restoring the private spheres man has been deprived of during decades of misguided pursuit of efficiency and standardisation. The universally acclaimed lamps are created in close collaboration with some of the world's most renowned architects, designers and lighting experts, and have earned prestigious awards for their combination of aesthetics, cutting-edge technology and resource conservation.
