## EN Mounting instructions

1. Connect your lamp to the shade (lamp is not included).
2. Pull the cable through the canopy according to the picture.
3. Cut the cable to your required length and remove the jacket from the wires.
4. Connect the wires to the clamp.
5. Hang the canopy to the ceiling hook and connect the power cable.
6. Turn over the canopy to hide the cables.

## sv Monteringsanvisningar

1. Anslut lampan till lampskärmen (lampa ingår ej).
2. Dra kabeln genom taket enligt bilden.
3. Klipp kabeln till önskad längd och ta bort höljet från ledningarna.
4. Anslut ledningarna till klämman.
5. Häng takkronan på takkroken och anslut strömkablarna.
6. Vänd takkronan för att dölja kablarna.
